**ORDER FOR ADDITIONAL  
INFORMATION RE:  
PRELIMINARY SETTLEMENT  
APPROVAL**

Re: Dkt. No. 139

Pending before the Court is the plaintiff's motion for preliminary approval of the class action settlement. Dkt. No. 139. After the May 20, 2015 hearing and reviewing the plaintiffs' written submissions, the Court notes the following concerns and orders the plaintiffs to submit supplemental information by June 3, 2015:

1. The plaintiffs must provide the Court with more information on the cy pres beneficiaries, Consumer Action and Electronic Frontier Foundation. Specifically, the plaintiffs must further address the “driving nexus between the plaintiff class and the cy pres beneficiaries.” *Dennis v. Kellogg Co.*, 697 F.3d 858, 865 (9th Cir. 2012).
  2. The parties must clarify the defendant entities included in the release, and incorporate those clarifications into the class notice where appropriate. For example, identify the affiliates, vendors, and independent contractors.

11           b. On the summary notice, email notice, and newspaper publication notice,  
12          include the value of the settlement and an estimated per person settlement  
13          value.  
14           c. On the mailing envelope, refer to the court's name in the administrator's  
15          address, for example, "Claims Administrator for the U.S. District Court."

17          agreement or particular facts of the settlement class.
